Hand County Happenings

Hand County Happenings (HCH) is an email newsletter that is published every Wednesday morning. It lists all of the events, meetings, and occasions that are taking place in the Hand County area over the next week. HCH is free and is offered as a community service to anyone that would like to receive it. Simply fill in your name and email address below to receive the next issue of HCH. HCH is being offered by Wildfire Web Services. To learn more, visit their website at www.wildfirewebservices.com.
